

Dear parents,

We would like to welcome you and your children to Innocent Minds and wish you all a fruitful year.

Now that our kids are well adapted to their new environment and settled into their classes and got accustomed to their teachers and classmates, they started to explore the theme of the month which is "Back to School".

Through fun games and activities our children were introduced to new vocabulary related to the theme such as: crayon, table, chair, paint brush, playdough, school bag...They also got introduced to Tom and Feather the main characters in their curriculum.

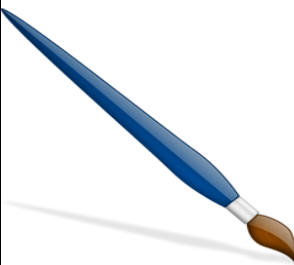

Every morning during circle time the teachers read stories related to the theme and presented to the children the activities of the day where they listed together the days of the week and sang various songs.

Now kids are able to identify:

<p>Boy/girl</p>  An illustration of a young boy with brown hair, wearing a white shirt, blue pants, and a red backpack, walking. Next to him is a young girl with blonde hair, wearing a white shirt, blue skirt, and a green backpack, walking.	<p>Big/ Small</p>  An illustration of two rows of colored pencils. The top row has six pencils in red, orange, yellow, green, blue, and purple. The bottom row has six pencils in red, orange, yellow, green, blue, and purple. Below each row is the text 'shutterstock - 186630539'.
---	--

<p>A table</p> 	 <p>a chair</p>
 <p>Playdough</p>	 <p>a paint brush</p>

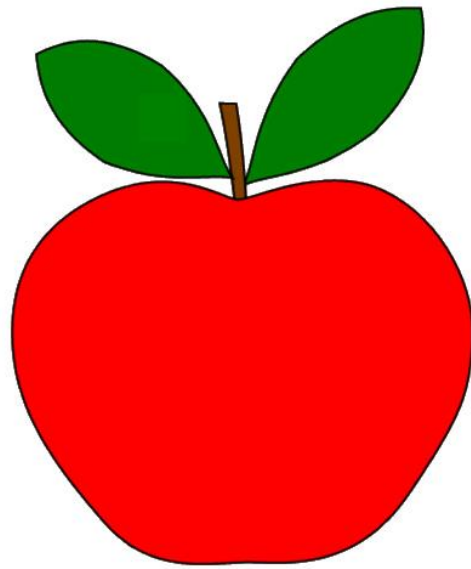

Red and circle were the main color and the shape of the month.

Children painted pictures and colored circles with red. They even celebrated red day.

Some of them are now able to recognize the red color and name it as well as the shape circle.

**Apple day was full of fun. Kids tasted this delicious fruit and enjoyed eating apple and apple jam. Many photos on our Facebook reveal how happy our kids were.**

"Family and Home ", this is our October theme.

Guess what?????

Parents you are most welcomed to join your kids at Innocent Minds to perform activities related to the theme.

Halloween is our big Event!!!

Stay tuned and follow us on our Facebook page.
