

Wild animals and Spring were as well reviewed during this month. Children learned more about the characteristics of Spring season and animals. They improved their language skills by learning how to make a full sentence of three words; they also learned to recognize their names during circle time.

In Arabic,

تناول محور الربيع الحديث عن حيوانات المزرعة واحترام الحيوانات والحشرات. كما تعرّف الأطفال الى شكل الدائرة والألوان : احمر-اصفر-برتقالي والى الأضداد داخل-خارج

Zebra

Bear
